

CENTRAL FLORIDA CORVETTE ASSOCIATION, INC.

Since 1973

Greetings potential CFCA Sponsors & Advertisers...

The Board of Directors and members of the **Central Florida Corvette Association (CFCA)** sincerely appreciate your consideration to become a valued club sponsor.

Since 1973, CFCA has been an extremely active group of civic-minded automotive enthusiasts. Our size and experience spurs our ability to host and support many successful events both as a local organization as well as a **National Council of Corvette Clubs (NCCC)** member and active supporter and Business Member of the **National Corvette Museum (NCM)** in Bowling Green, KY. We continue to give back to the community, as well, by focusing the majority of our fundraising efforts on charitable support for **The Russell Home for Atypical Children**, www.russellhome.org, right here in Central Florida.

Key to our success is the ability to quickly disseminate information via our award winning web site at www.cfca.net which currently receives about 2000 unique visits per month to the Home page alone. In fact, our site is so popular that other Corvette clubs in Florida rely on the CFCA web site and its Calendar of Events for their own membership's use because we strive to keep the content current, up-to-date, and of interest to all. Thus our website's actual "readership" is even more impressive than the sum total of our membership alone; much more so than a traditional paper newsletter would provide.

Of course, it is only through the support of our valued sponsors and advertisers that we are able to keep our members and visitors informed of news and upcoming events. Most important of all, we always support our sponsors and advertisers thru word of mouth within our organization and to the general public who request information. Our proven commitment to our advertisers is a top priority in CFCA.

The CFCA **WEB SITE BANNER** program constantly highlights each sponsor/advertiser's business with a rotating banner ad (468x60 pixels) *plus* a block ad (100x80 pixels) on our Home page at www.cfca.net. Our web site technology ensures that each sponsor's ad has equal chance to be listed at the TOP of the page in random order. Not only that, but we provide *additional* banner ad space and links to sponsor web sites on our Sponsors and Links pages. These multiple links not only give you more exposure to visitors to our site, but serve to improve your site's link popularity and overall search engine positions, too. We will even create the graphical web site banner ads for you at no additional charge!

CAN WE COUNT ON YOUR SUPPORT?

If you have any questions or suggestions, please feel free to call me on my phone number listed below.

Once again, **CFCA** and **The Russell Home** thank you **very much** for your support.

Sincerely,

Ned

Ad Creation

All ads must be sized appropriately and in .jpg or .gif format. Animated .gif ads are also acceptable. Maximum filesize for any graphic ad is 80Kb. If you do not have the ability to create a graphic ad, no problem! CFCA will be happy to create one for you at no additional charge based on images taken from your web site.

Small Button Ads

Small Button Ads are graphic ads sized at 100 x 80 pixels. Always visible, they run vertically along the right-hand side or near the bottom of our Home Page for a minimum of 12 months. A unique feature for these ads is that we randomize their positioning at each page refresh, allowing each advertiser equal opportunity to be listed at the top of the page.

Large Banner Ads

Large banner Ads are graphic ads traditionally sized at 468 x 60 pixels and run in rotation with other ads on our Home Page for a minimum of 12 months. Your banner ad is also featured on our internal Sponsors page as well as a text link on our internal Links page for added exposure at no extra cost to you.

Views Per Month

To maximize your ad exposure CFCA does not put any limits on the number of times your ad(s) will be displayed. We do not charge based on a fixed number of impressions (CPM) or click-throughs. Your ad will always remain visible on our Home page as well as additional exposure on our internal Links and Sponsors pages.

Because we don't limit the number of views per month your business will benefit by increased total clicks as well as branding. Your ad will be in front of serious Corvette enthusiasts 24/7 every day for a minimum of 12 months, regardless of when your ad is first installed. CFCA offers its advertisers larger format ads, reasonable rates, minimal competition, and maximum performance for your advertising dollar.

Most importantly, you will get plenty of "word-of-mouth" advertising as well, as we fully believe in supporting those that support us! Have a Corvette-related business? Contact us and perhaps we will schedule a club visit.

Your advertising dollar is key in allowing us to support our favorite local charity, "The Russell Home for Atypical Children" (www.russellhome.org). Thank you in advance for your support!
